

DAY STUDENT

Total Cost: \$2,600

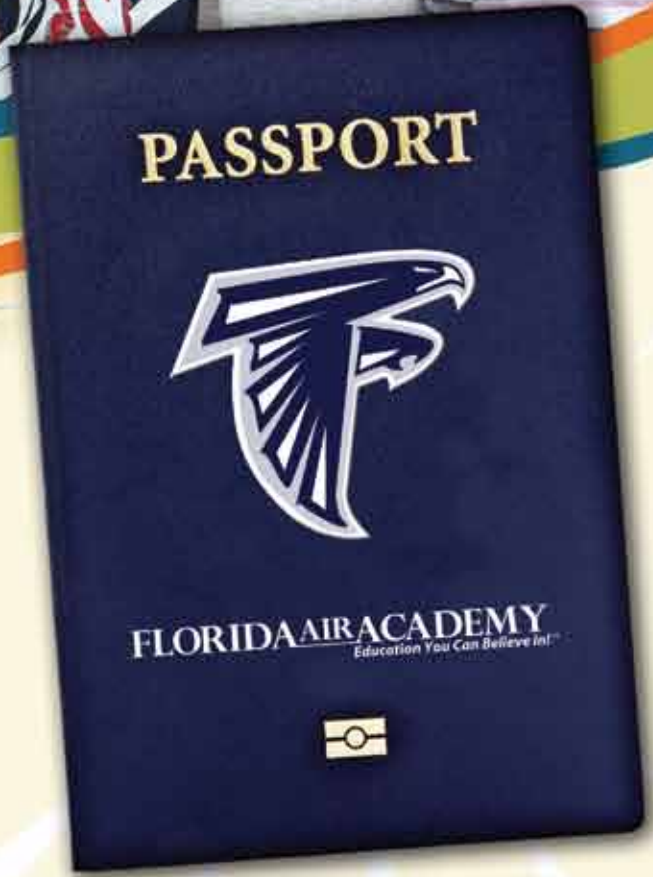

Day student tuition of \$2,000 covers educational programs, lunch, and textbook use. Student must reside with parents in Brevard County. Student bank deposit of \$600 is a deposit for personal expenditures your child may incur while at the Academy.

Amounts are estimates and subject to actual charges. The account will be charged for expenses such as initial clothing issue, lab fees, and student trips.

Join Us Today!

Florida Air Academy is Florida's largest, fully accredited boarding school and home of the country's premier student leadership program. Florida Air Academy offers boarding and day enrollment for young men and women in small classes. FAA specializes in working with students who want to be challenged in academics and placed in top colleges. With a strong academic profile enhanced by exciting electives, the Academy provides numerous opportunities for students to excel.

The academy challenges its students to succeed and grow in character and leadership skills. We give the individual attention and motivation that a child needs to succeed in today's increasingly competitive academic world. Florida Air Academy has enjoyed 100% college acceptance since 1978.

BOARDING STUDENT

Total Cost: \$6,000

Boarding student tuition of \$4,800 covers educational program, room and board, and textbook use. Tuition also includes nonrefundable trips to local attractions such as Disney World, Universal Studios, Blizzard Beach, and Wet 'n Wild. A student bank deposit of \$1,200 is for the personal expenditures your child may incur while at the Academy.

Amounts are estimates and subject to actual charges. The account will be charged for expenses such as initial clothing issue, weekly allowance, lab fees, campus store and canteen coupon books, and long distance calls.

Departures: Seattle / Atlanta

At FAA I got ahead in school, met new friends, and tried things not available at home. It was totally awesome!

Tyler Osceola—grade 7

Summer at FAA was a life-changing experience for Tyler. He decided to return to FAA as a full time student. His success and happiness continues to astound me.

Vanessa Baker — Tyler's mother

Our ESOL class went EVERYWHERE last summer thanks to our amazing teacher! I know I am returning to FAA. I wouldn't miss it!

Yancheng Qiu

Qiu was much further ahead in foreign language class when school resumed in the fall. I highly recommend FAA's summer session for any student who wants to have a lot of fun while learning.

Jornia Cartier — Yancheng's teacher

The SAT/ACT Prep class was intense, but worth it. My test scores are higher than I expected.

Cameron Reader — grade 11

Cameron stands a much better chance of getting into the university of his choice thanks to his summer at FAA. His test scores have made a difference in the attention he is getting from universities.

Bruce and Stacey Reader — Cameron's parents

June 19 - July 30

FLORIDA AIR ACADEMY
Education You Can Believe In!
